CISCO Certified Gold Partner status

BITTNET SYSTEMS S.A. (hereinafter referred to as the "Company") informs the investors about the extension of the Gold Certification – in South East Europe, after promoting the audit conducted by the american tech vendor. CISCO Systems has verified the skills of the entire sales and technical teams of the Company. The audit checked the existence of company-wide processes and procedures for treating customers and projects in a unitary fashion, ensuring a high success probability, project management, and technical skills for delivering and maintaining complex IT solutions and response to customer service tickets. The audit has also checked the customer satisfaction, business practices and the Company's ability to integrate Hibrid IT, Cloude and Manage services based on CISCO Technology. Gold Certified Partner represents the highest level of certification in relation with CISCO Systems.
