Financial Instruments and Investments Sector**

As a consequence of the strategy approved by the shareholders, SIF Moldova continued to sell the holdings from its “historical” portfolio, which exhausted their growth potential.

In this regard, we inform the investors on the full sale of a stock of 1,162,275 shares, representing 19.55% of the share capital of the company S.P.I.T. BUCOVINA SA Suceava, for which it was collected the amount of 1.185 million lei.

The operation was carried out through the agent Asset Invest SA, part of the SIF Moldova Group, a company established for the purpose of restructuring the holdings from the “historical” portfolio, in accordance with the Investment Strategy and Policy of SIF Moldova.
