Number in the Trade Register: J40/8060/2000

Share capital subscribed and paid: 733.031.420 RON

Regulated market where the issued securities are transacted: Bucharest Stock Exchange

Important event to report: regulated tariffs applicable beginning with January 16, 2020

The National Power Grid Company Transelectrica SA informs the investor public about the publication of ANRE Order 10/2020 in the Official Gazette 28/16.01.2020 amending ANRE Order 218/2019 on the approval of average tariffs for transmission services, the tariff components for electricity grid injection (T_G) and electricity grid take-over (T_L), the system service tariffs and the regulated price of reactive electricity charged by the Company. Consequently the regulated tariffs for the electricity transmission services and system services applicable beginning with 16 January 2020 are as follows:

Service	Tariff applicable as of 1 January 2020	Tariff applicable as of 16 January 2020	Difference
	Lei/MWh	Lei/MWh	%
I. Electricity transmission (average tariff)	18.33	17.97	▼1.96
Transmission tariff – electricity grid injection component (T_G)	1.30	1.30	-
Transmission tariff – electricity grid take-over component (T_L)	17.03	16.67	▼2.11
II. Functional system services	1.84	1.84	-
III. Technological system services	13.05	13.05	-

Mention should be made such change in the electricity transmission tariff was determined by a reduced monetary contribution owed by CNTEE Transelectrica SA to the 2020 ANRE budget from 2.0% to 0.2% of the Company's turnover.
