Important information regarding the situation caused by COVID-19

Considering the evolution of the epidemiological situation caused by the spread of the SARS-CoV-2 coronavirus at the level of over 150 countries (including in Romania) as well as the establishment of a state of emergency throughout Romania and the limitations regarding the meetings of persons, in order to protect its shareholders, as well as the other participants, Banca Transilvania wants to limit, as much as possible, within the limits of the currently applicable legislative framework, human interactions in relation to the corporate events of the Company, including the general meetings of the shareholders.

In this regard, the Company strongly recommends to the shareholders to use the electronic/remote means of interaction in relation to the Ordinary General Meeting of the Shareholders and, respectively, the Extraordinary General Meeting of the Shareholders, such as:

1. accessing the materials related to the Ordinary General Meeting of the Shareholders and, respectively, to the Extraordinary General Meeting of the Shareholders, on electronic format, rather than in physical copy (on paper), sent by post, courier service or

personally at the Company's headquarters. All the materials related to the items on the agenda of the Ordinary General Meeting of Shareholders and, respectively, the Extraordinary General Meeting of Shareholders will be available on the Bank's website (www.bancatransilvania.ro), as mentioned in the present convener;

2. the transmission by the shareholders (i) of the proposals regarding the introduction of new items on the agenda, or, as the case may be, the presentation of draft resolutions for the items included or proposed to be included on the agenda of the Ordinary General Meeting of Shareholders and, respectively, to the Extraordinary General Meeting of the Shareholders, as well as (ii) the questions regarding the Ordinary General Meeting of the Shareholders and, respectively, the Extraordinary General Meeting of the Shareholders, by e-mail, using the built-in extended electronic signature, according to Law no. 455/2001 regarding the electronic signature, to the address actionariat@btrl.ro, according to those mentioned in the present convener, rather than by post, courier services or personally at the Company's registry office;

3. the transmission by the shareholders of the GPAs or, as the case may be, of the SPAs by e-mail, using the built-in extended electronic signature, according to Law no. 455/2001 regarding the electronic signature, to the address actionariat@btrl.ro, according to those mentioned in the present convener, rather than by post, courier services or personally at the Company's registry office;

4. voting by correspondence and, preferably, by e-mail, using the built-in extended electronic signature, according to Law no. 455/2001 regarding the electronic signature, in respect to the instructions described below in the present convener, rather than by post, courier services or personally at the Company's registry office.

In these extreme conditions caused by COVID-19, it is preferable that the Ordinary General Meeting of the Shareholders and, respectively, the Extraordinary General Meeting of the Shareholders be carried out without the physical participation of the shareholders (except for the meeting secretaries and the technical secretaries), of course with respect of the rights of the shareholders. In this regard, a separate item was included on the agenda of the Ordinary General Meeting of Shareholders and the Extraordinary General Meeting of Shareholders concerning the election of the meeting secretaries and the technical secretaries, so that they could be elected by correspondence vote.

Depending on the evolution of the situation caused by COVID-19, between the moment of publication of this convening notice and the date of holding the Ordinary General Meeting of Shareholders and, respectively, the Extraordinary General Meeting of Shareholders, we will take

the appropriate measures, required or imposed by the authorities, with the appropriate notification of the shareholders of the Company. We also inform you that, if the current restrictions regarding the limitation of the number of participants to events held in confined spaces will be maintained, Banca Transilvania SA will have to apply additional measures for the application of these legal requirements.

Last but not least, we would like to point out that participating in public events/meetings (which comply with the possible limits imposed by the authorities at that time) exposes the participants to a possible contamination with SARS-CoV-2 coronavirus, and the Company and / or its management could not be held responsible for such risk.
