**Subject: Request for suspension from trading**

To whom it may concern,

Based on the rulebook of the Bucharest Stock Exchange, Book I – The Regulated Spot Market, Title I – Participants, Chapter III – Liquidity Providers, Section 4, Art 16 index 37, Erste Group Bank AG requests the suspension from trading of all structured products issued by Erste Group Bank AG under the Erste Group Bank AG Warrants Programme (the "Prospectus") approved by the Austrian Financial Authority ("Finanzmarktaufsicht" or "FMA") on

**Friday 29/03/2024 and  
Monday 01/04/2024**

under the justification that those two days are non-banking days in the home-country of the issuer and without the presence of a Market Maker or Liquidity Provider there is the imminent risk that there is not enough volume in the orderbook and it could come to trades at off-market prices which would contradict the general interest of investors, the exchange and the issuer.

Yours faithfully
