

ANNOUNCEMENT  
SEPTEMBER 20, 2021

## OMV PETROM AND TERAPLAST SHARES ENTERED TODAY IN FTSE INDICES DEDICATED TO EMERGING MARKETS

OMV Petrom ([SNP](#)) and TeraPlast ([TRP](#)) shares are included as of today, September 20<sup>th</sup>, in FTSE indices for Emerging Markets, thus joining Banca Transilvania ([TLV](#)) and Nuclearelectrica ([SNN](#)) shares. Romania thus consolidates its weight in FTSE Russell indices, having five companies present in the global provider's indices: Banca Transilvania, Nuclearelectrica, OMV Petrom, TeraPlast in FTSE Global All-Cap and Bittnet ([BNET](#)) in FTSE Global Micro-Cap.

The inclusion of OMV Petrom, the largest energy company in South-Eastern Europe, in FTSE Global All-Cap indices was decided by the global index provider following the half-yearly review, announced on August 20<sup>th</sup>, 2021. At the same half-yearly review, FTSE decided the inclusion of TeraPlast, the leader of the PVC pipe market and one of the most important players on the Romanian installations market, in FTSE Global All-Cap indices. Prior, TeraPlast's shares were part of the FTSE Global Micro-Cap index.

Romania's upgrade by FTSE Russell, on September 21<sup>st</sup>, 2020, among Emerging Markets opened the way for the capital market to a wider investment universe. The market capitalization of all companies listed on the Bucharest Stock Exchange, on both markets, is RON 219.4bn (EUR 44.3bn), with 45,9% above the level of September 18<sup>th</sup>, 2020, prior to the effective promotion to Secondary Emerging Market status (RON 150.4bn – EUR 30.9bn).

For more information and statements of the officials of the Bucharest Stock Exchange, OMV Petrom and TeraPlast, access the [press release](#) published on August 23<sup>rd</sup>, 2021.

**BUCHAREST STOCK EXCHANGE (BVB)** runs markets for shares, bonds and other instruments, through regulated platforms and alternative systems, and provides a wide range of services to participants of financial markets. Bucharest Stock Exchange is a public company, listed on its own market since 2010. The global index provider FTSE Russell announced, in September 2019, the promotion of the Romanian capital market to the Secondary Emerging Market status. As of September 21, 2020, Romania is effectively included in the FTSE Russell indices for Emerging Markets. For more information on the Bucharest Stock Exchange, please refer to [WWW.BVB.RO](http://WWW.BVB.RO)
