**Important events to be reported:** Opening of a working space in in Silicon Valley, U.S.A.

The management of Softbinator Technologies S.A. (hereinafter referred to as the "Company") informs the market about opening of a working space in Silicon Valley, U.S.A., which will be followed by the establishment of a limited liability company.

The company aims for over 70% of new customers who will join the company by the end of 2022 to come from the U.S.A. market. În this regard, in the first three months of the year, the Company signed contracts with four new clients from the U.S.A. with expertise in security and safety, transportation and blockchain (NFT), artificial intelligence, creation, editing and storage of video content.

The company will inform the market, through separate Current Reports, about the evolution of the activity in the U.S.A.

Daniel ILINCA

CEO
