

BUCHAREST STOCK EXCHANGE

Bucharest, November 9, 2010

PRESS RELEASE

BUCHAREST STOCK EXCHANGE ENTERS THE FTSE MONDO VISIONE EXCHANGES INDEX

The Bucharest Stock Exchange (BVB) entered the FTSE Mondo Visione Exchanges Index as of today, November 9, 2010.

The FTSE Mondo Visione Exchanges Index is a joint venture between FTSE Group, the global index group, and Mondo Visione, publisher of the Handbook of World Stock, Derivative and Commodity Exchanges.

It is the first index in the world to focus on listed exchanges and other trading venues. It enables international investors to track individual stocks and the sector as a whole. It helps the management of listed exchanges to compare their performance. And it focuses the attention of the market on this important sector. Starting today, BVB joins the following listed exchanges, members of the index:
