BRK Financial Group SA informs the investors about the conclusion of a market making contract for the shares of Medlife SA. BRK Financial Group continues the business direction initiated last year by providing Market Making services to the listed issuers and it is a great honor to announce the partnership with MedLife SA, the first issuer of the BET index that concludes a Market Making contract with an intermediary. The project is ambitious and we hope that the liquidity of MedLife shares will improve significantly.

BRK is set to maintain firm market maker quotes at a maximum spread of 1%, worth 50,000 euros for the issuer MedLife SA.
