Important events to be reported: Acquisition of a project company for the development of a BESS system

The management of Electro-Alfa International S.A. (hereinafter referred to as the "Company") informs investors about the completion of the acquisition process of a project company, SOLAR TECHNOLOGIES CONSULTING S.R.L., which holds the rights and authorizations necessary for the development of an electricity storage facility (BESS – Battery Energy Storage System), with an installed capacity of approximately 52 MW, the project being located in Șelimbăr, Sibiu County.

The estimated value of the project development is approximately EUR 25 million, and the duration of the works is estimated at around 12 months from the completion of the design phase.

Following the development of the project, the Company will analyze the options of operating the facility or monetizing it through a sale to potential investors in the energy sector.
